PERSONAL PROFILE

An ambitious and enjoying solving problems with a passion for developing web App and who would like to join a team of like-minded developers. I am infinitely fed by the world of development so much so that for the first time I find my self giddy to work in my spare time. I enjoy nothing more than seeing the page refresh or console output with a bug fix or added functionality.

EDUCATION

Front-End Web Developer and UI/UX Designer
Nashville Software School
Jan 02, 2018

Diploma in Accounting
Smap Institute of Training
